Clare County Development Plan 2023-2029

Submission / Observation

Access to the River Shannon at Doonass, Clonlara, Co. Clare. We have had access to the river bank all my life to swim, to walk from landscape to the Clonlara / Castleconnell footbridge. Since the Angler's Rest has been bought by the current-owners this access to the river bank has been denied. Locks have been put on the gates. Fences erected. Use of the car park for funerals has been denied also. All we are asking for is a path to the river bank so we can walk without issue from landscape to Castleconnell like we have always been able to.
