Clare County Development Plan 2023-2029

Submission / Observation

THE Right of way Along the River Shannon from the Foot Bridge at Castle Connell to the "Anglers Rest" and on towards Limerick was always an open public area for our family for over 70 years. Now cut off with no access is not justified in any way. As a child we were taken to Doonass for day trips. As a Scout leader in the 1970's/1980's I took Scout Troops camping in Doonass & walked this area.

Originally from Limerick & married a local person we continued to use this Right of way up to when it was closed off.

We have land near this in Clonlara & family that now live in Clonlara who are now prevented from using this facility which is not right
