## Clare County Development Plan 2023-2029

### Submission / Observation

I would like the walkway at the  
Angles Rest opened again to give us  
long time residents back our walkway.

We always walked from there to castleconnell  
especially in the summer with our  
children + dogs - a beautiful safe  
place with no cars.

In this time of getting our fresh air  
back + returning to nature they want  
to close our walkway which has been  
opened for years + years to enable a  
new resident more than likely build  
some houses -

How wrong is this ??
