### **Your Submission**

Doonmore House is an uninhabited house close to Doonbeg village and listed as a protected structure (RPS no 554 on p 83). Restoring it with the restrictions imposed because of its protected structure status is financially prohibitive. My son is interested in restoring it for his use as his primary residence with his young family but not under the present listed conditions. I am requesting that Doonmore House be removed from the Record of Protected Structures. Referring to Doonbeg in the Development Plan a stated aim is to "Provide for residential development to cater for the permanent population in the area." Delisting Doonmore House would help in this regard. The field in front might be suitable to develop as a public amenity. We have in mind mini pitch and putt or children's play area and are open to suggestions.
