

Dear Jennifer (2)

Thank you for taking the time to present the North Clare development plan in disallowance. The meeting was very informative.

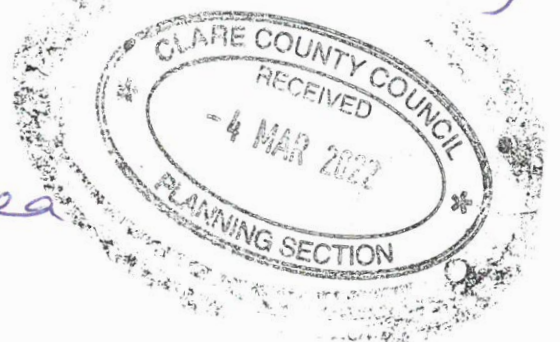

Following on from this meeting, I would like to make a submission to change the site located next to VIGA 2 on the map with a current status of "existing residential" to "Tourism". We are currently in the process of building a dwelling home on this site.

Due to the close proximity of the site to main thoroughfare in Doonin, we would like to future proof the site for potential further development. I do note that the site next to our site is already graded as Tourism.

I hope that you look on this request favourably and look forward to hearing from you.

Kind regards

John and Michelle O'Shea
