Ref: Planning Portfolio No. CE23479.

As a homeowner of [REDACTED] Dun Na Mara, Doonbeg, I wish to submit that the field adjacent to me is not suitable for Tourism purposes. It should be re- zoned as an Agriculture field.

1. There is not a suitable water infrastructure in the area to support Tourism Development.
2. There is not safe access to this field from the main N67 Road, or from the Dun Na Mara estate, to support Tourism Development
3. The field is very low lying and any Tourism development would result in more flooding and waterlogged properties in the estate.

Sincerely,

Mark Kiely
