Your Submission

Regarding planning Portfolio No CE [REDACTED] I wish to submit that this field is not suitable for tourism purposes and should be rezoned back to agricultural land. 1) Access to this field is from the N67 or through Dun Na Mara estate which is already congested due to its close proximity to the local Primary, Preschool and Church. Traffic generated from a tourism venture would cause a serious road safety issue for pedestrians and vehicles alike. 2) There is no suitable water infrastructure to support a Tourism development in this area. 3) This field is low lying, should a Tourism development go forward adjacent properties will have to deal with flooding and waterlogging which is not acceptable to full time home owners.
