**Subject:** Submission in relation to strip of land between Station Road and Summercove Estate.

Bernie Parry  
[REDACTED]

I wish to make a submission to the Draft Development Plan 2023-2029 in relation to the strip of land between Station Road and Summercove Estate. After reviewing the Draft Development Plan 2023-2029 pgs 1-17 Ennistymon -Lahinch I am happy that the zoning of the strip of land remains Open Space on the map. Open Space Zoning for this land allows for the protection of the existing residential amenities of my property/home and that of my neighbours and the rest of Summercove Estate. As the estate was built in 1999 and the adjacent strip has always been zoned as Open Space I would very much like for the zoning to remain Open Space now and into the future to allow for the continued protection of the residential amenities of all the properties within the estate of Summercove Lahinch.

regards  
Bernie Parry.
