Submission from Cllrs Joe Killeen on the CDP

**From:** Joe Killeen [REDACTED]  
**Sent:** 16 November 2020 12:30  
**To:** Helen Quinn  
**Cc:** Joe Killeen  
**Subject:** County Development Plan

A reduction to 50% in Planning contributions/fees in the case of applicants for planning permission in rural areas of sparse population with other positive supports to help these areas of the county continue to enjoy the benefits of living in a vibrant community.

Preferential Planning Contributions rate for a limited number of non functioning/ unused Commercial premises being converted to residential use in instances where it can be demonstrated that these premises are in excess of requirements in rural villages.

Call on Clare County Council to work in conjunction with National Parks and Wildlife Service and other Agencies in supporting initiatives to address the traffic management issues for the Burren area .
