Subject: Martin Browne - Objection to Proposed Amendment No. 3a-23 – Rezoning of Lands at Pairc na Coille (SR8)
Date: Friday 27 March 2026 14:04:56

Clare County Council is proposing to rezone a 10.5-acre wooded site at Pairc na Coille (Drumbiggle, Ennis) from long-term reserve land to residential development.

This site currently acts as a natural flood buffer and important wildlife habitat. Development here could increase flood risk to nearby homes, the nursing home, and surrounding areas.
